WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Member Meeting

Thank you to everyone that attended the Member's Meeting on April 5th. Topics were: Emergency Plans, Invasive Species and Asset Management. All information handed out was previously e-mailed to members. Board Vice-Chair Joanne Brochu has joined the Lake Diefenbaker Invasive Species Committee – please contact her if you are interested in helping with this very important initiative! Please keep us up to date on how you plan to progress with Emergency Planning. We will continue to help where we can. A sample letter supporting this initiative will be sent to take to your Council shortly.

Asset Management

There will be a grant writing workshop **Thursday, May 24th at 10 am at the Harbour Golf Course in Elbow, SK** for the FCM Municipal Asset Management Program. There are 2 eligible categories: communities that have to start their Asset Management journey and those that have started and want to further their knowledge. I need to hear from your community! Are you interested? Let me know by May 15th.

Board of Revision & Development Board of Appeals

G. Krismer & Associates is the Board of Revision for WaterWolf members & has also been contracted to be our Development Appeals Board. These boards save you time and money with appeals as well as taking out the "conflict" factor as we all seem to know everyone! A separate e-mail will be sent for the updated MOU for the Board of Revision and a new MOU for the Development Appeals Board. REMEMBER, these services are ONLY AVAILABLE to WaterWolf Members in good standing.

Board Member Meetings

The Board had a meeting on April 23rd. Attached are the minutes from the March 22 meeting, as well as the notes from the April 5th meeting. After the next board meeting, the approved minutes for April will be sent out. The next Board Member's meeting is Monday, May 7th, 2018.

Other Ideas?

We have discussed working on the following areas: Bulk Purchasing, Regional Bylaw Enforcement, Regional Building Inspector and we will keep you up to date on any progress we make in these areas.

Sincerely,

Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
