WaterWolf Affiliated Member Municipality

Dear Mayor / Reeve, Councils and Administrator,

This Letter is intended to provide an update from the WaterWolf Executive Board and the Administration regarding issues that we are addressing at the present time.

Budget

Thank you to everyone that replied and accepted the Budget as presented for the 2018/2019 year. The invoices for 2018/2019 member fees were sent to all municipalities on Friday. The rates remain the same. Please note our new address is Box 177, Loreburn SK S0H 2S0.

Community Planning Consultant

What types of requests can Crosby Hanna help you with?

- Rezoning requests;
- Annexation applications;
- Subdivision referrals;
- Development permit inquiries;
- Development permit processing;

And this is just a short list! Contact Jim & his team at waterwolf@crosbyhanna.ca.

Asset Management

Wanting to apply for an FCM grant and not sure how? Head to the FCM website at www.fcm.ca! WaterWolf wants to help too. Would a one-day workshop to work together to get your applications in be of interest? Please let Brandy know and we will get one set up right away!

Member Meetings

The Board had a meeting on January 11th. Attached are the minutes from the December 4th meeting. After the next board meeting, the approved minutes for January will be sent out. The next Board Member's meeting is Thursday, February 15th, 2018.

Development Appeals Board, Emergency Plan, Code of Conduct Policy, Rules of Procedure Policy

The above are areas that we are currently working on. Watch for information on the above by separate correspondence and in the minutes of future board meetings.

Regional Collaboration

We at WaterWolf are encouraged by the cooperation between municipalities for such things as Asset Management. More areas that we can work together are to have our Members Area of the website, specifically geared to our members. To that end, please let me know what you would like to see! Glen and Brandy have been working hard to change the site, so all input is very valuable!

Sincerely,
Walter, Joanne, Garry, Richard, Arlin and Brandy

WaterWolf District Planning Commission
