

July 25, 2018

WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

## ***ARE YOU IN THE KNOW?***

### **Administrator Workshop**

Monday, June 25<sup>th</sup> saw 11 administrators gather to partake in the Crosby Hanna planning workshop. The notes will be sent after the August 7<sup>th</sup> Board Meeting.

### **Annual General Meeting**

On Monday, June 25<sup>th</sup> we hosted 27 administrators, mayors and councillors for our AGM in Outlook. It was nice to see many familiar faces as well as meet new ones! We hope you enjoyed attending and learned something too! Joanne Brochu spoke about the Lake Diefenbaker Task Force on Invasive Aquatic Mussels and Clayton Drewlo of Urban Systems gave an update on Asset Management and the FCM (Federation of Canadian Municipalities) Grant.

There were some questions regarding the Financial Statement. The reason they are 'Unaudited' is that it saves us a bit of money as they aren't gathering quite as much information and that if this is acceptable by ISC – who we submit our annual return to – then we should leave it the same. We also discussed the classification of any outstanding member fees owing as they are not included as accounts receivable. This is our policy not to include them and this policy can be changed if we wish it be included. Rest assured there is a list of this information updated at all times.

### **Asset Management**

A number of municipalities submitted their applications for the FCM MAMP Grant at the end of June 2018. We are waiting to hear the results of those submissions and will keep you up to date. FYI if you have questions with any aspect of your Asset Management planning, please give Brandy a call!

### **Lake Diefenbaker Aquatic Invasive Mussels Task Force**

This task force has raised a lot of awareness as well as funds recently. If you want more information, contact Joanne Brochu.

### **Board Member Meetings**

The Board did not have a meeting in July. The June minutes will be forwarded once approved at the August meeting. The next Board Meeting is August 7<sup>th</sup> at 7:30 pm in Loreburn at the Town & Country Centre.

Sincerely, Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
