WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Bylaw Enforcement Survey

Please return the Bylaw Enforcement Survey as soon as possible. I have some but would prefer to hear from everyone to make informed decisions!

Budget

I have heard from 11 communities that have approved the proposed 2019/2020 budget. I need to hear from at least 18 – so 7 more. PLEASE see the attached budget and respond.

WaterWorks System Assessment

Does your community have over 100 people? Do you have to complete a WaterWorks System Assessment by December 31, 2020? There are some that do, so please let me know if you are one of those communities. We would like to send out an RFP for this work on behalf of our members, so we need to know who you are! Since these things take time, please have a look at your Permit to Operate a WaterWorks to see if you need to do this and we will get going on it for you! I have attached the *EPB 223A Water Security Agency* document referencing these types of assessments.
