WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Budget Approval

When and if your Council approves the WaterWolf budget, please just pop me an e-mail to let me know, if you haven't already. We are required to have 18 communities of the 33 for approval and right now we have 11.

Invoice & Business Card

Enclosed are the 2019/2020 membership invoices. 2018 was a great year and we plan to make 2019 that much better! We have a lot in the works that we hope will further benefit our communities. Do you have a business card for your community? Please include one with your invoice payment. If you would like a WaterWolf business card, please let me know and I will send along with your receipt.

Asset Management

Is your community in need of help with Asset Management? Let us know! We are here to help. We want to be sure that WaterWolf as a whole is successful introducing Asset Management Practices to our daily work. We want to hear from each community: if you are working on Asset Management – on your own or with a company and who? If you are not, let us know that too! We can provide assistance right away!

Members Meeting

WaterWolf is working on a Spring members planning forum that will involve Community Planning. More details will follow soon!

Commission Member

Every community **MUST** appoint a representative to be a member of the WaterWolf Planning Commission. If you haven't already done so and let me know, please do!

Sincerely, Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
