

August 8, 2018

WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Emergency Planning

I have heard that some Towns, Villages & RM's have begun working together on their emergency planning! Way to go!

If you haven't approached this yet, don't hesitate too long. Emergency planning is a very important aspect and working together with your surrounding communities is the best way to accomplish that.

Lake Diefenbaker Aquatic Invasive Mussels Task Force

We thank all those that have donated to this cause. To date there has been over \$30,000 raised including a substantial commitment from the City of Regina. A formal update will be sent out in August but a few things that have happened recently are:

Ordered 2 decontamination units for Douglas Park and Elbow Marina, 12 people took inspection training, 2 boats have been stopped from entering the lake that were infested with mussels, You Tube videos are being made of how to clean, drain and dry any type of boat and a database of inspected boats is being created.

We recognize the tremendous amount of work that the AIM Task Force and Joanne Brochu have done to bring this urgent issue to the attention of the province and lake users alike.

Website

We plan to add new content so please check the site regularly. The most recent financial statement will be available soon. If you have suggestions, please let Brandy know.

Bylaw Enforcement

The Board has discussed that the lack of Bylaw Enforcement is becoming an huge issue in our communities. With your help, WaterWolf would like to tackle this issue! Do you have a Bylaw Enforcement Officer that you use now? How often would you need one? Please send your replies!

Board Member Meetings

The June minutes are attached. The Board met on August 7th. Those minutes will be sent once approved at the September meeting. The next Board meeting is Tuesday, September 4th in Loreburn. Please forward any questions you have before the meeting.

Sincerely, Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
