WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Member Meetings

The next members meeting has been set for Thursday, November 22nd at 6:30 pm. Consider this your invitation to host. If you would like to, please contact Brandy.

We are planning to have speakers on Bylaw Enforcement & Building Inspection so far.

Website

We are compiling the Purchasing Database for the Members Only section of the website. You should have recently received an e-mailed spreadsheet in which to fill in the areas that your community uses and who you buy from or which contractors you use for various services. If you see a column missing, please add it in! This will be posted to the website in the beginning of October.

We are also planning to add a talk forum to the website. This would be an area that members could communicate things such as, if you were having a contractor coming to your area for work that maybe a neighboring community might be interested in. We hope that this helps us keep each other in touch as well as provide a cost savings!

Bylaw Enforcement

Bylaw Enforcement has become an issue in our communities. Please let us know which areas of Bylaw Enforcement interest you the most and what you would be looking to get out of an officer if you had one! We will use the information provided by you to give our speaker at our members meeting (Nov.22), a direction to start!

Board Member Meetings

The August minutes will be sent after the October meeting. The Board met on September 19th. Those minutes will be sent once approved at the October meeting. The next Board meeting is Thursday, October 4th in Hanley. Please forward any questions you have before the meeting.

Sincerely, Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
