WaterWolf Member Municipality

Attention: Mayor / Reeve, Councils and Administrator/CAO's,

ARE YOU IN THE KNOW?

Asset Management

Asset Management SK is hosting a Webinar Series focusing on Level of Service, Risk Management and Long Term Financial Planning – the dates of these are: February 4,5,6 – April 1,3,5 – and Fall 2019. As well they are hosting 3-Day NAMS.plus Training Workshops, providing Technical Training Developing an Asset Management Plan. If you need help in this area, please check out the website at www.assetmanagementsk.ca for all the details!

Regional Planning

Partnerships are being made between our members and this is so great to see! One such area is in Emergency Planning. The communities in the RM of the Loreburn & area (Douglas Park, Mistusinne, Elbow, Loreburn, RM of Loreburn, Strongfield, Hawarden and Danielson Park) are working together on an Emergency Management Plan AND so are the communities of Dundurn, Hanley, RM of Dundurn, RM of Rosedale and the RM of McCraney! We can achieve so much more together than alone. Best of luck! If you are working regionally please let us know! We can all benefit by others examples.

Board Member Meetings

The Board met (in person and electronically) on January 7, 2019. The November & December minutes will be sent once they are signed. The next Board meeting is February 7 at 7 pm in Loreburn. Please forward any questions you have before the meeting.

The Board is also meeting for a Strategic Planning session in Outlook on January 31st.

SUMA and SARM Conventions

Convention time is just around the corner! Great time to reconnect with friends & colleagues. Hope to see you there!

Sincerely, Walter, Joanne, Garry, Richard, Arlin, Maureen and Brandy
